

8 Easy Steps to get from the Atlanta Airport to the RPMDA Convention Hotel

Step 1: Find the MARTA station which is by baggage claim.

Step 2: Use a Kiosk and look for the Breeze Ticket Round Trip option. The “Disposable Ticket” costs \$1 and the Round Trip option costs \$5.

Step 3: Go to the train platform and hop on whatever train is there. It doesn’t matter if it’s the Red Line or the Gold Line because both (in fact ALL) trains from the Airport only go North.

Step 4: Depart the train (watch your step) at the Peachtree Center stop. It’s the stop AFTER “Five Points” which is the Central Hub of the MARTA train system.

Step 5: Go up the very long escalators and when you reach the top, take a left into the Peachtree Mall. Take a moment or two to look around the Mall because there are numerous food options, convenience shops, and even a CVS Pharmacy.

Step 6: As you’re looking around, you’ll see a sign saying “Hyatt Regency”. If you’re not looking around, just go straight into the Mall and look up – you’ll see the sign.

Step 7: Follow the sign (Arrow pointing left), go over the crosswalk and up a few stairs and you’ll be in the Hyatt’s lobby.

Step 8: To get back to the Airport – just do the reverse and just make sure you get on a Southbound train.
